

Gateway T-Ball League TEAM INFO

Purpose of the league

Remember this is a non-competitive league. The purpose is to teach the players some of the basics of baseball and working together in a Loving environment. There will be no official scoring and every player will receive a trophy at the end of the season. It is the desire of Gateway that every child who desires to play gets that opportunity. We will make every effort to accommodate special requests regarding practice times and team assignments.

Team Selection

We will then decide how many teams we will have based on the number of sign-ups we receive. Head coaches will be selected and they will attend a meeting to cover rules, responsibilities, etc as well as divide the teams. Coaches will then make contact with the players to give them information as to when and where practices will be scheduled.

Coaches/Asst Coaches/Volunteers

Each team is required to have 1 Head Coach, at least 1 assistant Coach, and a team Mom. Because they are required to teach a short devotion at each practice, head coaches are required to be members of Gateway Baptist Church. Assistant coaches and team Moms will be selected by the head coach from the parents on their team without regard to church affiliation.

Practice

The coaches will have the freedom to select when practices will be held. Due to limited daylight during March, they will most likely practice on Saturday (anytime) or Sunday Afternoon. Once games begin practice will be available during the week in the evenings but never on Wednesday. Practice can be no longer than 1 hour with a 5 minute devotion.

Games

All games will be played on Saturday Morning. The number of teams we will determine how many games we will need to schedule for each week with the first game beginning at 8:30 a.m. each week. Games will have a 1 hour time limit and a five run rule per inning. If the time limit expire in the middle of an inning, the inning will continue and the game will finish at the end of that inning.

Contact

Hopefully we have answered most of the questions you have but if you need further information please feel free to contact Brian Parrish
brian.parrish@gbcspring.org or call 281-363-4500
